What is Action Syria Carols?

Action Syria Carols is our annual festive fundraising event that brings together voices in support of Syrian communities who, after years of conflict and displacement, are stepping into this next chapter with renewed hope, and uncertainty.

How you can make a difference

Volunteer to help us run an unforgettable evening of candlelit carols and heartwarming stories, supporting Action Syria's mission to ensure Syrian communities have the education and medical care they need every day, and when emergencies strike. Your time and effort will ensure the event runs smoothly, while helping us to reach our fundraising target of £90,000.

With the fall of Assad's regime, families are returning home, civil society is growing, and communities are working towards a more just future. But the needs remain immense: millions still face poverty, displacement, and gaps in basic services.

At a time of renewed hope and significant challenges, the vital funds raised will go towards supporting Syrians access the education, healthcare, and emergency support they need, delivered by trusted community-led organisations on the ground, as they move towards a brighter future.
