What is Action Syria Carols?

Action Syria Carols is our annual festive fundraising event that brings together voices and uses the power of music to stand with Syrian communities.

How you can make a difference

Help us run an unforgettable evening of candlelit carols, musical performances, and celebrity readings, supporting Action Syria's mission to ensure Syrian communities have the education and medical care they need every day, and when emergencies strike. Your time and effort will ensure the event runs smoothly, while helping us to reach our fundraising target of £90,000.

The fall of the Assad regime in December 2024 marked a significant moment for Syrian communities, bringing renewed hope after 14 years of conflict and displacement. But the road ahead is uncertain and complex, and the needs on the ground remain urgent. Over 2 million children in Syria are still out of school and nearly 15.8 million people require urgent healthcare assistance.

Two years into rebuilding, sustained funding for Syrian communities is essential. The money raised will go towards delivering vital education and medical care that Syrian communities need most — to rebuild and shape their own futures.

As a volunteer, you could be supporting with:

- Warmly welcoming and greeting guests as they arrive
- Setting up and serving guests at food and drink stations
- Collecting donations
- Tidying the venue after guests leave - we are looking for a few volunteers to stay until 10:30pm to help us clear up the church after the event.

In return, we'll be able to offer:

- A free ticket to enjoy the carol service on the night
- A free drink and mince pie
- Reimbursement of reasonable transport fares
- Up to £10 reimbursement towards food.

During the week leading up to the event, we'll hold a 30-minute online briefing to run through volunteer roles and the schedule for the evening, as well as answer any questions you might have. We ask all volunteers to please make every effort to attend.
